2018 Art Submission Guidelines

Art With Heart celebrates its 25th year as the premier auction of Canadian contemporary art in support of compassionate client-driven HIV/AIDS care at Casey House.

All Canadian contemporary art submissions for Art With Heart are considered and selected by an independent curatorial committee, comprised of artists, gallery representatives, art collectors and art buying professionals. Casey House staff does not participate in the curatorial process and remains at arm's length to this committee of experts. **All submissions for Art With Heart 2018 must be received by March 8, 2018 in order to be considered.**

Submit up to 3 separate works for consideration by sending an e-mail to Jennifer at jsimaitis@caseyhouse.ca with the following:

- Title
- Date (preference is given to work completed in 2017 or 2018)
- Size (inches, h x w)
- Medium
- Estimated value
- Electronic image (jpg)
- Gallery representation, if applicable
- Do you consider yourself an emerging, mid-career or established artist?
- 100 word (max.) artist statement describing themes or processes found in the submitted work(s)

Artists who submit artwork for consideration are asked to not sell the work until being advised of the curatorial committee's decision, which is expected by April 20, 2018. If your work is selected for inclusion in the 2018 collection, it needs to be ready for pick-up by May 6. This is necessary to allow for production of the auction catalogue and website.

All artists selected for inclusion in Art With Heart 2018 will have the option to either receive a charitable tax receipt for 100% of the estimated value (as determined by a third-party appraiser) **or** a consignment payment of 25% of the hammer price at auction.

Questions can be directed to Jennifer Simaitis - Manager, Special Events at (416) 962-4040 ext. 4005 or jsimaitis@caseyhouse.ca
