

Art with Heart - The premier auction of Canadian contemporary art, benefitting Casey House, a specialty HIV/AIDS hospital.

2017 Art Submission Guidelines

All Canadian contemporary art donations for Art with Heart are considered and selected by an independent Art with Heart Curatorial Committee. The Curatorial Committee is comprised of artists, gallery representatives, art collectors and art buying professionals. Casey House staff does not participate in the curatorial process and remains at arm's length to this committee of experts. **All submissions for Art with Heart 2017 must be received by March 10, 2017 in order to be considered.** The Curatorial Committee's final selections will be confirmed to you by May 5, 2017.

If you would like to donate a work of Canadian contemporary art for consideration, please send an e-mail to Jennifer Simaitis (jsimaitis@caseyhouse.on.ca) with complete details regarding the piece including:

- Title
- Date
- Size (inches, h x w)
- Medium
- Estimated value
- Electronic image (jpg)
- Please also advise if you are represented by a gallery, and if you would consider yourself as an emerging, mid-career or established artist.

Once you have submitted your work for consideration we ask that you do not sell the piece until you have been advised of the Curatorial Committee's decision by May 5, 2017. If your work is selected for inclusion in the 2017 collection it will need to be ready for pick-up by May 12, 2017, unless the work selected is a photograph or the work has already been professionally photographed. This is necessary to allow for production of the auction catalogue and website.

All artists selected for inclusion in Art with Heart 2017 will have the option to either receive a charitable tax receipt for 100% of the estimated value (as determined by a third-party art appraiser) **or** a consignment payment of 25% of the hammer price at auction.
